**General conditions for the statement validity**

The Manufacturer is admitted to ATS at the following conditions:

1. The Manufacturer has implemented a Quality System according to a national or international standard approved by an accredited certification body or recognised by RINA.
2. For any single Purchaser's Order, the Manufacturer is to make an application to the competent RINA Marine Office using RINA form and indicating "*Firm provided with RINA Alternative Testing Scheme (statement reference number)*".
3. The products are to be produced, inspected and tested in compliance with the Procedure No. AQ-SPM-11 rev.10 approved by RINA. Personnel appointed by the Manufacturer as responsible for any phase of the production and control process is to be clearly stated on relevant Procedure.
4. In addition to the Manufacturer's standard quality control, all testing activities and inspections to be carried out and all documents to be reviewed by the Manufacturer are to be included in the Procedure No. AQ-SPM-11 rev.10 approved by RINA.
5. On completion of the inspection and tests required by the relevant Procedure, the Manufacturer is duly authorized to issue the following documents:
  - 5.1 Certificate of Conformity (RINA Form "COLALT"), duly endorsed and marked on Manufacturer's field.
  - 5.2 Manufacturer's relevant inspection and test reports signed by the appointed personnel and all the other required technical documents relevant to the testing.
6. One set of the above documents are to be sent to the competent RINA Marine Office before the delivery of the products. Upon satisfactory review of the above documentation, the competent RINA Marine Office will send back COLALT certificates duly endorsed, stamped and the relevant invoice.
7. Upon receipt of the certificates, the Manufacturer is authorized by RINA to mark their products as defined in the approved Procedure No. AQ-SPM-11 rev.10.

8. For traceability purpose, the Manufacturer is provided with the following RINA stamp to be used for marking the certified products:

9. Any “non conformity notice” or “client / shipyard claim” is to be forwarded to the competent RINA Marine Office with relevant “corrective actions” taken as soon as possible.

10. The validity of the present Statement is subjected to the satisfactory result of the intermediate audits and the Manufacturer premises, carried out according to the table included in this attachment. RINA reserves all the rights to perform unscheduled audits.

11. Any modification to the initial conditions (e.g. relevant to design characteristics of the product, production and control procedures, suppliers of main components) are to be promptly communicated to RINA, which reserves the right to require additional assessments.

12. In any case, RINA Surveyors are to be allowed to witness during the performance of production and control activities, upon their request.

13. RINA may suspend or withdraw the admission to the Alternative Testing Scheme in the case of modifications to requirements or conditions for initial admission.
